

ATTENTION VOICE OVER TALENTS

SENSIBLE DEMOS

OK! You've taken the classes, practiced like crazy and gotten good at the craft of VO.

Now its time for the next big step...
THE ALL IMPORTANT DEMO

Let's analyze why you might have been putting it off...

- 1) How about the grueling 10 to 12 hour session - if you even still have a voice?
- 2) How about the \$2000 and Up hit to your wallet...in one shot!
- 3) How about having to do that at least 5 times because you'll need
• COMMERCIAL • CHARACTER • VIDEO GAME • NARRATION • PROMO
and maybe more if you want to do CORPORATE, IVR, MEDICAL or AUDIOBOOKS. Then there's the Branding...the Website!

ARE YOU KIDDING ME? No wonder you've been putting it off! I've been there and done that, and I believe there is a better way to get great results that won't bust your wallet OR your vocal chords.

ANNOUNCING KAY CREATIVE'S SENSIBLE DEMOS
Its your demo - at your pace - at your budget...and it works like this...

- At my Studio in Pasadena we evaluate your style
- We write or select and fine tune your copy
- You voice one or two dry tracks for your demo
- I clean, edit & mix sfx and music elements for a completed gem of a production.

Then you do the next ones as your schedule and cash flow allow until you've completed your whole demo painlessly. You'll be building your demo and paying as you go! Good for your budget, your schedule, and a great way to move your career forward!
